Aiya Spa: The best spa experience

Aiya Spa, recognized as the best spa experience in Koh Chang, offers a range of exotic treatments both ancient and modern. All of which will leave you with relaxing feeling.

For many centuries, Thai have used wild herb and massage therapy to rejuvenate the body and soul. Here at Aiya Spa, our experienced and well trained therapist will assist you to select special treatment which suit with your body condition.

All products in Aiya Spa are natural extracted and carefully selected to suit with all skin types.

Aiya Spa Treatment:

Traditional Thai Massage:

Thai massage will help you to relax your tense muscles and awaken your body energy flow. A strong, dry pressure massage combined with gentle stretching will send you into a state of total relaxation. You may select for a course of 1 hour and 30 minutes or 2 hours.

Swedish massage:

Popular European full body massages which purify your skin, increases blood circulation, energizing lymphatic drainage, relieves muscle tension and deep cleans while enhancing skin conditions.

Asian Blends Massage:

A pressure point massage based on the oriental theories of energy meridians; this massage is effective for relieving tension, aches and pain. The combination of soothing aromatic oils and gentle kneading and stretching will leave the body feeling totally relaxed and refreshed.

Royal Aiyapura Massage:

A fusion of massage techniques used in Asia and Europe to promote a sense of well being by increasing blood circulation and lymphatic flow, and by improving muscle tone and skin texture. This massage is ideal for muscular tension, aches, pain and general relaxation.

Back & Shoulder Massage:

This treatment specifically eases muscle tension by concentrating on the tight and stressed muscles of back and shoulders. Extensive Therapy work provides relaxation to the lower and upper back.

Aiyapura Scalp Massage:

This is one of our oil free massages which applied from fusion massage techniques used in Eastern and Western Therapies.

In cooperating the neck and shoulders, this is ultimate in tension release. Physically you will feel relieved. Energy wise, you will feel grounded and balanced.

Reflexology Massage:

A specialized foot massages to relieve stress and tension as well as improving blood circulation. Each energy meridian of the body is identified in the pressure point of feet. Using cooling wild mint lotion, pain and blocked energy are released.

Body Scrub:

Thai Herbal Body Scrub:

This aromatic blends of Thai herbs with selection of ingredient: honey, tamarind or milk depending on your skin type. These recipes will stimulate all of your sense as it smoothes away dry and rough skin. Improving the circulation and providing a gentle exfoliation, your skin will be soft and glowing.

Honey Seed Body Scrub:

A traditional Thai body scrub using honey and sesame seed with refreshing lime aroma splash, leaving your body feel fresh and invigorated.

Skin Smoothing Salt Scrub:

Using sea's fresh salt and pure body oil, your skin will be left feeling fresh, smooth and tingling with vitality.

Apricot Body Scrub:

This premium exfoliating treatment is perfect for all skin types, utilizing apricot and walnut as active ingredients to stimulate your skin.

Body Wrap:

Honey Body Masque:

Cover your skin with special Natural honey, cucumber and fresh milk chosen for you in order to enrich the moisture and softness to your skin.

Aloe & Lavender Body Wrap:

It is an excellent treatment for skin repair and cellular rejuvenation, which concludes with the application of lavender lotion.

Thai White Mud Body Masque:

The unique body masque bled Thai white mud, which has long been used by Thai women for cleansing, cooling and brightening the skin, with aromatic Thai herb, each specially selected for their beauty enhancing properties

Detoxifying Body Wrap:

This treatment designed to stimulate the circulator and lymphatic systems, particularly effective of those areas prone to cellulite, fluid retention and uneven skin texture. A combination of skin exfoliation, lymphatic drainage massage and warm algae is used to boost metabolism, reduce fluid retention and detoxify the whole system.

Facial Care:

Facial Harmony:

Aiya spa's most popular facial care, this outstanding treatment uses traditional Thai beauty recipes which enhance the flexibility, firmness and moisturize the skin

Apricot Facial Care:

Using natural apricot mixture which quickly remove complexion-dulling impurities skin and leave skin totally soften and refresh.

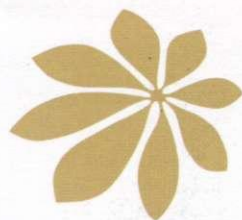

Aiyapura Collagen Care:

The ultimate in firming facial includes cleansing, exfoliation mask and firming your skin with collagen. This treatment is specially designed to refresh and nourish your complexion to healthy condition.

Hydrotherapy Room:

There are aromatic Thai herbal stream - Sauna - Hot Jacuzzi pools - Cold Jacuzzi Pool. Refresh your body in our water treatment room. It is ideal for all kinds of massage and other treatment or anytime to cleanse your skin, clear the lungs, promote the circulation and invigorate body.

Aiya Spa is open from 09:00 to 21:00 hours - everyday.
